

You've learned the value of hard work from working hard. That's what keeps America's trucks moving.

Now there's a brand of repair and maintenance chemicals as hard working as you: Bulldog® Repair and Maintenance Chemicals.

SPECIALTY GREASES

DIELECTRIC GREASE

Seal, lubricate and protect electrical components and connections with Bulldog® Dielectric Grease.

- Protects electrical connections and wiring from salt, dirt and corrosion
- Extends the life of bulb sockets
- Prevents voltage leakage around any electrical connection
- Prevents spark plugs from fusing to boots, required for modern high energy ignition systems

P/N 4028-8428709
.33 oz. (9 g) tube in blister card 10/pk

FIFTH WHEEL GREASE AND SLIDER LUBE

Reduce friction and extend the life of the plate with Bulldog® Fifth Wheel Grease and Slider Lube.

- Graphite / moly formulation for increased protection against wear
- Outstanding adhesion properties for extended protection
- Environmentally-friendly, biodegradable pouch
- Easy, no-mess application

P/N 4028-2904002
2 oz. (57 g) packet 60/cs

HIGH TEMPERATURE ANTI-SEIZE COMPOUND

Bulldog® High Temperature Anti-Seize Compound preserves threaded and static part integrity during long and severe service and prevents galling, fretting, pitting and corrosion.

- Withstands extreme temperatures
- Coats mating surfaces for fast and easy disassembly
- Resists seizing and galling
- Highly water resistant

P/N 4028-1556040
40 oz. (1.14 kg) brush-top can 12/cs

ADHESIVES

THREAD LOCKER

Lock fasteners in place. Protect them from breaking loose or becoming damaged with Bulldog® Thread Locker.

Breakaway Strength

- Does not migrate on parts
- Fast cure and oil tolerant
- Locks nuts and screws
- Seals medium size threaded parts
- Remove with normal tools
- Holds torque tension specs
- Prevents vibration loosening
- Chemical resistant
- Prevents keyway backlash

P/N 4028-8428550

1.69 fl. oz. (50 ml) bottle 10/cs

P/N 4028-8428506

0.2 fl. oz. (6 ml) single-use, blister card 10/pk

High Strength

- Locks studs, nuts and bolts
- Does not migrate on parts
- Fast cure and oil tolerant
- Remove with normal tools
- Holds torque tension specs
- Prevents vibration loosening
- Chemical resistant

P/N 4028-8426250

1.69 fl. oz. (50 ml) bottle 10/cs

P/N 4028-8426206

0.2 fl. oz. (6 ml) single-use, blister card 10/pk

AEROSOLS

ANAEROBIC SEALANT PRIMER

Bulldog® Anaerobic Sealant Primer removes grease and oil from surfaces and reduces cure time on anaerobic sealants and adhesives.

- Speeds cure of anaerobic sealants
- Acetone solvent in primer evaporates in seconds and will not interfere with bond
- Can be handled within 10 minutes, full cure in 1-4 hours

P/N 4028-8403105

4.5 oz. (120 g) can 12/cs

BATTERY CLEANER

Clean batteries, terminals and carriers—in just minutes—with Bulldog® Battery Cleaner.

- Improves connections
- Prevents corrosion
- Excellent rubber lubricant
- High temperature properties

P/N 4028-9046741

12 oz. (340 g) can 12/cs

BRAKE CLEANER

Bulldog® Brake Cleaner removes excess contaminants to ensure nothing gets in the way of your braking system.

- Fast Acting
- Power stream feature blasts brake dust, dirt, grease and other contaminants away
- Non-Chlorinated
- Low VOC formula
- Approved for use in all 50 States and Canada

P/N 4028-9046731

15 oz. (425 g)

P/N 4028-9046735

5 gallon

MULTI-PURPOSE DEGREASER

Penetrate oils and greases with Bulldog® industrial strength, fast-acting, high-performance component cleaner.

- Strong degreaser for general purpose parts cleaning
- Use on all metal surfaces and on oil resistant rubber and plastic
- Comes in a convenient aerosol application

P/N 4028-8440814

14 oz. (396 g) can 12/cs

HEAVY DUTY PENETRATING OIL

Free stubborn, rusted, threaded applications, stop squeaking and protect parts from dirt and corrosion with Bulldog® Heavy Duty Penetrating Oil.

- Loosens rusted parts
- Heavy duty formulation for maximum penetrating power
- Designed to penetrate and loosen locked up parts
- Prevents corrosion and rust on metal parts and tools
- Stops binding and squeaking

P/N 4028-8457012

12 oz. (340 g) can 12/cs

CLEANERS

BUG AND ROAD GRIME REMOVER

Bulldog® Bug and Road Grime Remover not only cleans bugs, tar and road debris from trucks, it's safe for use on nearly any surface.

- Removes dead bugs, dirt, grease and oil deposits
- Safe for use on glass, Plexiglas, painted and unpainted surfaces, chrome, aluminum, stainless steel, cast iron, brass, copper, titanium and other steels and alloys

P/N 4028-4112124

24 fl. oz. (710 ml) bottle 12/cs

P/N 4028-4112101

1 gallon (3.78 L) bottle 6/cs

HEAVY DUTY HAND CLEANER WITH PUMICE

Quickly scrub hands clean of the toughest dirt, grease and epoxies—while protecting skin with aloe and lanolin—with Bulldog® Hand Cleaner with Pumice.

- Heavy duty hand cleaner for oil, grease, tar, grime, soil, resins, epoxies, paint and cements
- Pleasantly scented, containing lanolin and aloe
- Fine-ground pumice provides deep scrubbing action to remove difficult grease and grime
- Works faster than standard orange hand cleaner

P/N 4028-8422901

1 gallon (3.78 L) bottle 6/cs

P/N 4028-8422908

8 fl. oz. (237 ml) bottle 4/cs

HEAVY DUTY HAND CLEANER

Bulldog® Heavy Duty Hand Cleaner is a highly effective, fast-acting hand cleaner that removes the heaviest grime, grease and glues.

- Thoroughly cleans grease and grime from hands
- Removes epoxies, paint and most glues
- Contains lanolin for skin conditioning
- No water needed

P/N 4028-8429208

8 fl. oz. (237 ml) bottle 12/cs

P/N 4028-8429201

1 gallon (3.78 L) bottle 4/cs

MULTI-PURPOSE METAL POLISH AND SEALANT

Cleaning, polishing and protecting metal is fast and easy with Bulldog® Multi-Purpose Metal Polish and Sealant.

- Concentrated, fast-drying metals polish
- Formulated for hand cleaning or buffing
- Original shine is restored with effortless cleaning
- Cleans, polishes and protects—all in one
- For use on aluminum, chrome, stainless steel, brass, copper, nickel, gold, pewter, magnesium and beryllium

P/N 4028-9046651

12 fl. oz. (355 ml) bottle 6/cs

PARTS CLEANING SOLVENT

Developed with performance and the environment in mind, Bulldog® Parts Cleaning Solvent is ideal for a wide variety of cleaning applications.

- Designed for use in solvent wash stands, immersion tanks, spray washers and for manual cleaning of equipment
- Can be recycled indefinitely through solvent reclaiming program
- Use full strength

P/N 4028-8499005

5 gallon (18.927 L) pail

P/N 4028-8499055

55 gallon (208 L) drum
